**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I understand that most or some of you with most politicians receive varies types of materials from the lobbyist. However, enough is enough, it is time for you do something that you were paid for instead of helping the telecom monopoly giants like AT&T and Comcast to bully their customer.

You have no idea how these big telecom giants are hurting the productivity and potential of the US Economy by limiting the bandwidth to their customers.

Make America Fast Again ! It does not matter if you are the right or left wing , do something for once !!!

Thank you for ready this far to my letter.

From all of the American Families who way overpay for their telecom services.
